Re: Request for Information for the Cedar Chemical Site

Dear Ms. Hudson:

On January 29, 2013, the U.S. Environmental Protection Agency (EPA) received your request on behalf of BASF Corporation for a 30-day extension to respond to the Cedar Chemical Site 104(e) Information Request. BASF Corporation received the 104(e) Information Request on January 22, 2013.

Based on the EPA's review of your request, we are extending the deadline for your response by 30 days. As a result, your response to the 104(e) Information Request is now due no later than March 25, 2013. Should you have any questions, please contact Mr. Lance Nixon at (214) 665-2203 or nixon.lance@epa.gov. Thank you for your attention to this matter.

Sincerely,

Wren Stenger, Associate Director
Technical and Enforcement Branch
Superfund Division
